

THE AUDLEY PUBLIC HOUSE PROJECT NEWSLETTER NO. 2

DATE: 09.07.2020

WORKING HOURS

Monday – Friday: 8.00am – 6.00pm
Saturday: 9.00am – 1.00pm

WORKS

The Audley in Mount St is currently being refurbished to provide a new Public House, restaurant and boutique hotel as per the image above. Grangewood have been appointed by Grosvenor to undertake the phase 1 refurbishment works. The purpose of this newsletter is to provide a brief update for those living and working nearby.

The following works are now complete:

- The scaffold and temporary roof
- The front elevations have been cleaned and the internal strip-out works are in their final stages
- Demolition works to the rear lightwell have started and underpinning works in the basement are progressing well

Over the next few weeks, works will continue as follows:

- Underpinning and starting with the installation of the temporary propping
- Commence the demolition of the roof structure which may involve noisy works which Grangewood will endeavor to keep to a minimum
- Grangewood will continue to operate new site procedures including cleaning regimes and additional signage to comply with the guidelines issued by Public Health England

If you do have any concerns please contact the site team who will be happy to discuss any of the above in further detail. We will be sharing regular newsletter updates as the project progresses.
