Application Within Public Consultation Period

Proposed Change (if applicable -variation only):Variation to the premises plans, with updates to the layout on the basement, ground and first floors, and adding the newly renovated second and third floors to the licensed area (previously only permitted via off sales). The updates to the layout on the basement, ground and first floors reflect those included in the minor variation application with reference [24/02247/LIPVM], which has been submitted in parallel to this application, notably:-
 - Basement: Addition of a walk in-fridge in the kitchen. - Ground Floor: Reconfiguration of fixed seating; moving one exit / fire escape; addition of a bar store area; addition of a urinal and expansion of sink provision for the male toilets. - First Floor: Enlarged kitchen; new bar counter, repositioned to centre; reconfiguration of fixed seating; one male toilet changed to a urinal. The changes are part of an ongoing renovation of the premises by the applicant, as a new operator. A model works condition is included in the application:- The variation of this premises licence to include the second and third floors will have no effect until the premises have been assessed as satisfactory by the Environmental Health Consultation Team at which time this condition shall be removed from this licence by the Licensing Authority. Where there are minor changes to the premises layout during the course of construction, new plans shall be provided to the Environmental Health Consultation Team and the Licensing Authority

-------------------------------	------------------------------	-----------------	---	----------

Variation: We are needing to refit the Milroys of Soho location to improve the flow for our customers in and out of the building. Ground Floor. The Main whisky Bar will move from its current central left hand side position, with its current length being 5 meters causing a bottleneck at times, the new bar location will be to the righthand side running 3.5 meters and set back to provide more floor space. Capacity of 12 seated will be maintained as applied under our existing conditions. First Floor: We are looking to add a new permanent retail tasting room space on the first floor of 3 Greek Street for licensing activates in accordance with the attached plan. 1st floor will be a seated space that is reserved for booked tasting events with a capacity of 14 people seated 1 team member. Basement: Vault Bar will remain with its current layout of the bar and floor space with seating for 36 people being the optimal number for a full table service. We would like to change the capacity of each floor without increasing capacity of the venue, with the following numbers per floor. Basement 36 guests Ground Floor 30 guests 12 seated First Floor 14 guests Total guest capacity would be 80 Staff numbers would be a maximum 8 during the peak days Thursday through Saturday all other times we will need 6 staff Other than the change in licensable areas and the proposed capacities we wish to continue to operate under all other existing conditions and inline with our current hours.
