## Application Within Public Consultation Period

Proposed Change (if applicable -variation only):Variation to the premises plans, with updates to the layout on the basement, ground and first floors, and adding the newly renovated second and third floors to the licensed area (previously only permitted via off sales). The updates to the layout on the basement, ground and first floors reflect those included in the minor variation application with reference [24/02247/LIPVM], which has been submitted in parallel to this application, notably:- - Basement: Addition of a walk in-fridge in the kitchen. - Ground Floor: Reconfiguration of fixed seating; moving one exit / fire escape; addition of a bar store area; addition of a urinal and expansion of sink provision for the male toilets. - First Floor: Enlarged kitchen; new bar counter, repositioned to centre; reconfiguration of fixed seating; one male toilet changed to a urinal. The changes are part of an ongoing renovation of the premises by the applicant, as a new operator. A model works condition is included in the application:- The variation of this premises licence to include the second and third floors will have no effect until the premises have been assessed as satisfactory by the Environmental Health Consultation Team at which time this condition shall be removed from this licence by the Licensing Authority. Where there are minor changes to the premises layout during the course of construction, new plans shall be provided to the Environmental Health Consultation Team and the Licensing Authority
