<a href="#">24/04639/LIPVM</a>	Premises Licence - Variation - Minor	Al Bustan	Basement 21 Edgware Road London W2 2JE	Hyde Park	Variation	12/08/2024

The local area has very few outdoor dining options and this would provide a much sought after option. Variation 2: Minor changes to the internal layout at Basement and Ground Floor Levels. The changes do not affect the use of the premises in any way and have no impact on the means of escape provisions in place. Drawings have been attached showing the changes.

-------------------------------	------------------------------	--------------------	-----------------------------	---------------

Variation: We would like to increase the maximum capacity of people permitted in the premises from its current number of 320 to 500. This is due to the fact that we are becoming an increasingly popular venue, operating a professional theatre (The Marylebone Theatre) as well as classes and workshops in our studio rooms. We propose to install 62 new seats in our theatre so that it reaches a total of 266. Space for the extra seats will be created by reducing the current distance between the rows from 900cm to 800cm. This keeps the distance between seats well within the legal limits. It also ensures safe access to evacuation points in case of fire. Please see attached documents for detailed designs, put together by professional seating company Audise. This is the same company, who installed the original seating in 2020. We would also like to amend the hours for certain licensable activities in our theatre. Specifically: 1. Performance of Plays: currently we are licensed for 12.00-00.00; we would like to change this to 10.00-00.00 to enable us to present children's theatre. 2. Performance of Live Music: currently we are licensed for only Monday-Saturday. We would like to add in Sundays.
