Proposed Change (if applicable -variation only):Not Recorded						

Reference Number	Application Type	Premises	Address	Ward	Application Reason	Last Date For Objection
24/02832/LIPV	Premises Licence - Variation	ONeills Public House	33 Wardour Street London W1D 6PU	St James's	Variation	05/06/2024
Proposed Change (if applicable -variation only):The variation is seeking a) Approval to alterations which will involve works on the ground and first floor (no changes are proposed to the basement, second and third floor). The works on the ground floor will include incorporating the adjacent Betfred premises into the ground floor which will result in an increase in licensable area. Creation of a private entrance straight to the first floor. Changes to the lobby at the front, making this bigger which should assist with queuing as scanners can be housed inside. Creating a new exit point for smokers to use. On the first floor, the stage and void space is reducing creating more circulation space for customers. Overall the licensable space is increasing but the occupancy figure is to stay the same. b)To amend condition 18 to state: The number of persons accommodated (excluding staff) at the premises shall not exceed Ground Floor 300, First Floor 280, and Second Floor 350. Subject to there being no more than 900 persons (excluding staff) at any one time in the premises. c)To remove outdated redundant conditions 20, 23 and 24 which include references to the former Section 77 Special Hours Certificate, restrict children being present unless eating and chaperoned and reference an area hatched black on the plans which no longer exists. d)To add a works condition linked to this variation.

Maida Vale

Reference Number	Application Type	Premises	Address	Ward	Application Reason	Last Date For Objection
24/02936/LIPV	Premises Licence - Variation	Paddington Sports Club	Paddington Bowling & Sports Club Castellain Road London W9 1HQ	Maida Vale	Variation	10/06/2024

Proposed Change (if applicable -variation only):Paddington Sports Club is a tennis, bowls and squash club that is located in the Maida Vale area of London between Castellain Road to the north and Delaware Road to the south. A genuine situation plan has been provided as Appendix 1 (A1). The club buildings consist of a main club house and a second building which is an indoor bowling and squash pavilion. The majority of the site consists of ten outdoor tennis courts and a bowling green. At the northern side of the club house is a small terrace with doors opening from the club house and a small area of lawn between the terrace and a tennis court. To the northern west side of the club house is a hedge, walkway and a number of tables facing the bowling green. Both of these areas are marked on Appendix 2 (A2) provided. The site is entered via a pedestrian and vehicular entrance accessed to the north of the site on Castellain Road and save for this entrance and exit, there are no egresses to the site. The entrance to the club grounds itself is accessed via a secure gate with the use of an electronic fob. Fobs are issued to members only. The club operates as a members only establishment and has done so from the site since 1928. The club currently has around 1300 members who predominantly use the club to play tennis, squash and bowls. Those using the bowling green outside tend to be more senior members of the club and play mainly between the months of May and September. The club bar, within the clubhouse, operates between the hours of 11:00 to 23:00, Monday to Saturday and 12:00 to 22:30 on Sundays. The current license prohibits the consumption of alcohol in the outside terrace area and garden area marked on A2 in yellow, beyond 21:00 every day of the week. This application is to vary this license to increase the outside area that the license extends to, to include the walkway and tables facing the bowling green, which is marked in green on A2. This application is also to extend the hours from 21:

Application Within Public Consultation Period

Proposed Change (if applicable -variation only):We would like to propose to move the Kitchen from the Ground Floor to the Basement Floor. We are currently only serving customers on the Ground Floor of the restaurant. The Basement Floor is being used as a storage space only. If we are able to relocate the Kitchen to the Basement Floor, this will enhance the efficiency in the operation for the Kitchen and Back of House staffs because they will be able to operate in a bigger space and therefore, accommodate a smooth flow of operation. By being on the same floor as the storage/ kitchen consumables, it will enhance the productivity and speed of food preparation. Furthermore, this new layout will enable the staffs to have a better cleaning system and stock-check system. This will further promote the Safer Food Better Business objectives. The relocation of the kitchen will not have any adverse effect on the 4 Licensing Objectives because it will not encourage crime and disorder. It will not cause any public nuisance and will not cause harm to children. The relocation of the kitchen will enhance the safety of the employees because the Back of House employees will not need to operate on both levels during the operation. The Back of House employees can operate on the Basement Floor and transfer the food via the existing Dumbwaiter Lift to the Ground Floor to the Front of House team. Public safety will not be compromised or be affected from this change because the capacity of the the persons in the premise at one time will be reduced from the original layout. There will be no change to the operation hours and we will continue to comply to the conditions set without any changes. The work for the relocation of the Kitchen will not increase any capacity for drinking on the premise.

Proposed Change (if applicable -variation only):1. Vary the layout of the premises in accordance with the plans submitted with this application. 2. Remove conditions 15-19 and 21 of annex 2 regarding the terrace areas and replace with the following: The part of the external terrace hatched blue on the plan attached to the licence shall be subject to the following conditions: o The doors to this area shall be kept closed after 22.30 daily save for the central door which shall be kept closed except for immediate access and egress; o After 22.30 daily all patrons in this area shall be seated (save for the purpose of access and egress), and notices shall be prominently displayed to advise customers that all patrons must remain seated after this time; o After 22.30 daily there shall be no more than 60 patrons permitted in this area; o After 22.30 daily there shall be no music permitted in this area. The external terrace areas shall be cleared of patrons no later than 02:00 daily. Where there is a retractable roof over the terrace area, this shall be engaged no later than 22:30 daily. 3. Add live and recorded music as licensable activities from 08:00 to 02:00 daily (indoors only). Hours for all other licensable activities are to remain as per the existing licence. 4. Remove condition 11 of annex 2 regarding waiter/waitress service. 5. Remove condition 20 of annex 2 regarding SIA provision and replace with the following: The need for SIA door supervisors during the hours whilst the 10th floor is open for licensable activities for the general public shall be risk assessed by the premises licence holder or DPS dependent upon the occasion, with a proposed ratio of at least 1 door supervisor per 75 guests. Such risk assessment shall be kept at the premises for a minimum of 21 days following the occasion. In any case a minimum of 1 SIA door supervisors shall be provided on the 10th floor terrace from 21.00 hours until cessation of licensable activities.
